What do you need for today and the upcoming week

Time, focus & energy. Today's session will last about 8 hours. Breaks will be managed by a trainer.
Happy learning!

Ensure you activated **Google Cloud Skills Boost account**. You will use this on-demand platform today and during the upcoming week. Please check your inbox for "[Action required] - create Google Cloud Skills Boost account - 7-day access" email.

Qualify for the next stage of this program. As soon as possible, but not later than September 25, 2023, complete at least 5 labs and let the program team know via form. Labs completion form will be shared with you. Qualification information will be shared on September 29, 2023.

First come, first served.
The limited number of program seats available.
